

Microsoft 365 Initial Login Instructions for Colonial Life Agents

Email URL: portal.office.com

Purpose: To assist new Colonial Life Agents with their initial login to **Microsoft 365**

Multi-Factor Authentication (MFA) is required, download the Microsoft Authenticator App from your mobile device's app store.

1. On laptop open web browser (*Google Chrome is preferred*)

- a. Navigate to the address bar, type in portal.office.com
- b. Enter your Colonial Life email address (*it will always end in coloniallifesales.com*)
- c. Enter initial password: CL+ Agent number, select **Sign in**

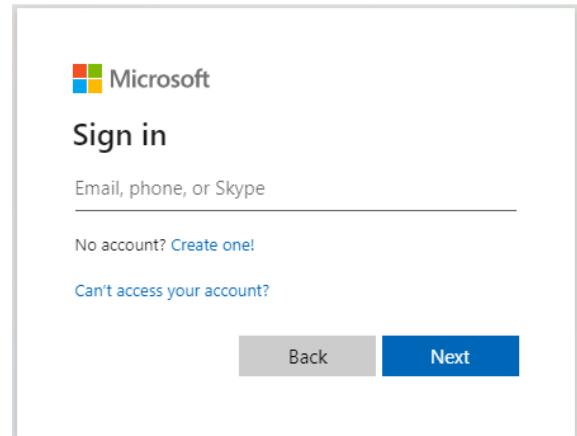

← [redacted]@coloniallifesales.com

Enter password

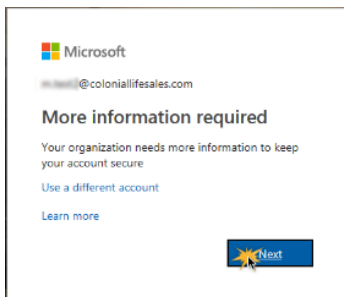

.....

Sign in

- d. Follow laptop screen prompts to launch your QR code

NOTICE: You will use the **Microsoft Authenticator App** on your **mobile device** to scan your QR Code

Configure mobile app

Complete the following steps to configure your mobile app.

1. Install the Microsoft authenticator app for Windows Phone, Android or iOS.
2. In the app, add an account and choose "Work or school account".
3. Scan the image below.

Configure app without notifications

If you are unable to scan the image, enter the following information in your app.

Code: 006 384 660

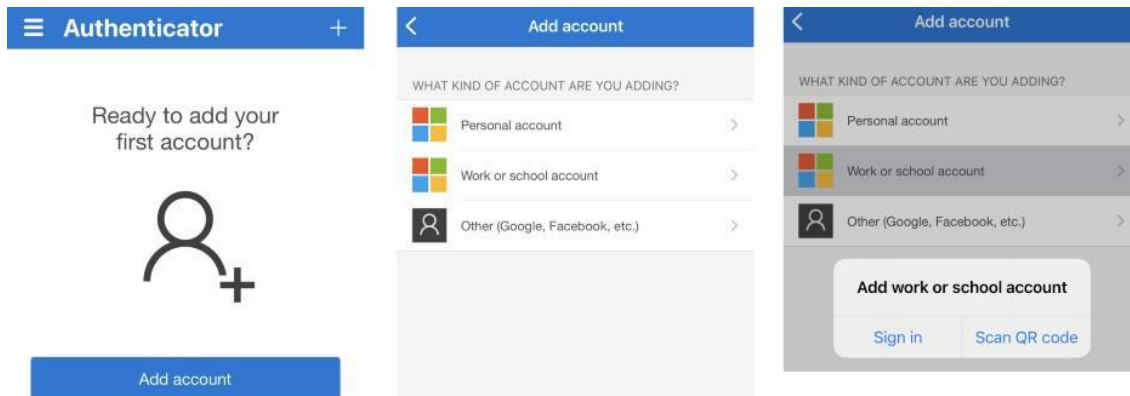

Url: <https://mobileappcommunicator.auth.microsoft.com/mac/MobileAppCommunicator.svc/072960518>

If the app displays a six-digit code, choose "Next".

2. Launch **Microsoft Authenticator app** on your **mobile device**

- a. Select add new account (select **+** at top right)
- b. Select **WORK OR SCHOOL ACCOUNT**
- c. Select **Scan QR Code** (when prompted must allow camera access)

- d. **Microsoft Authenticator App** will display account *Colonial Agent Tenant* and a 6 digit code (*MFA digits will cycle every 30 seconds*)

3. To complete the setup on your laptop

- a. On the *Configure Mobile App* page select **NEXT**, then **NEXT** again, input the 6 digit code displayed in your mobile device's **Microsoft Authenticator App**, then click **DONE** (*You may be prompted to enter the code again after clicking **DONE**, this is normal*)
- b. On your laptop **Enter Code** screen will display, type the code (*6 digits, no spaces*), select **VERIFY**

Microsoft

@coloniallifesales.com

Enter code

Enter the code displayed in the authenticator app on your mobile device

Code

☐ Don't ask again for 1 days

Cancel Verify

4. Update Colonial Life email password screen is now presented

officesso.coloniallifesales.com

Update Password

You must update your password because your password has expired.

EnrollTestSolution@ColonialLifeSales.com

Old/Temporary password

New password

Confirm new password

Submit Cancel

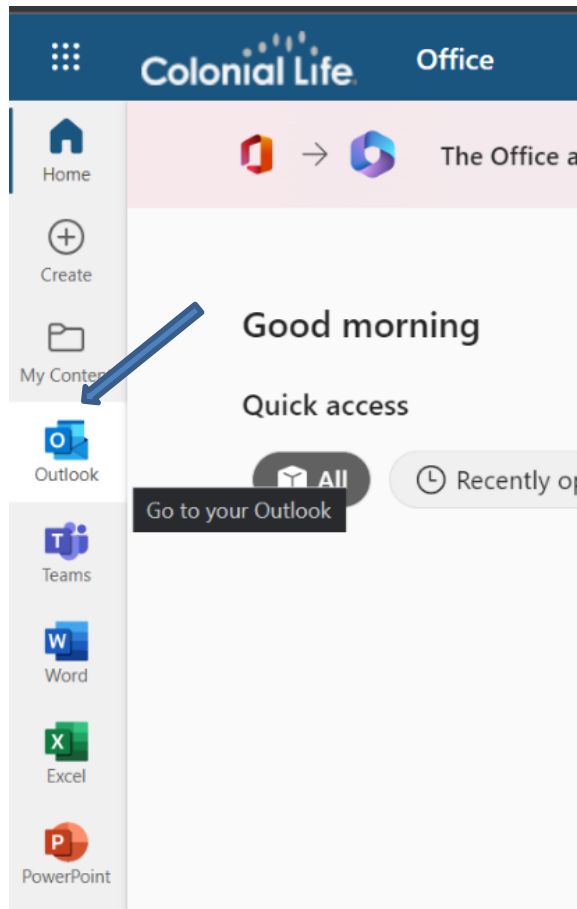

- Type in your @coloniallifesales.com e-mail address as the username
- Enter the **initial password provided by Onboarding as OLD PASSWORD**
- Enter your NEW PASSWORD, then enter again to CONFIRM NEW PASSWORD

Microsoft password requirements: at least 8 characters long, one capital letter and one number.

Tip: You will be required to **AUTHENTICATE** every 24 hours; we recommend that you place a check in the box to reduce the MFA requirement for 1 day.

You now have access to your Colonial Life **Microsoft 365** at portal.office.com.

We recommend saving the website as bookmark in your web browser.
