EXCLUSIONS	AND LIMITATIONS		

Each benefit requires that charges are incurred for treatment. We will not pay benefits for: coding convention errors, intentional misrepresentations or upcoding, crown replacement services within five years of last placement, procedures prior to the effective date, procedures prior to the expiration of the waiting period, prosthetic replacement services within five years of last placement, repairs within six months of the initial procedure, sealant limitation (limited to secondary molars for dependent children under age 16 and will not be payable more often than every five years), teeth missing before the policy coverage effective date, treatment outside of the United States, unlisted procedures, or unrecommended or unrequired services. This list does not include a complete description of each limitation and exclusion. To obtain a complete description of benefits, limitations and exclusions, please refer to the policy or see your Colonial Life benefits counselor.

Applicable to policy Dental-IL. This is not an insurance contract and only the actual policy provisions will control.
